Tales of Birbal

How many crows are there in this land?
Which came first, the chicken or the egg?
Only Birbal knows...

Whatever the question, Birbal, the cunning advisor to Mogul Emperor Akbar has the answer! Mashi Theatre's travelling storytellers stop by to share the colourful, enchanting Tales of Birbal - ancient Indian stories akin to Aesop's Fables, featuring music and puppetry.

Help craft your own tale of adventure and problem solving, and even learn a song on the way. Put your thinking cap on and join us to step into the world of Akbar and Birbal.

For children aged 6+ and their families.
